2012 Official Rules and Guidelines

1. All fishing gear and bait will be provided by the event. **No personal fishing gear will be allowed.**
2. Kids will need to arrive 30 minutes before their designated fishing time to check in and pick up their t-shirts and rods.
3. Once checked in, families will go to a staging area to wait until the beginning of their fishing session.
4. Families may go to the fishing spot of their choice at the beginning of their fishing session.
5. Kids will be fishing in a netted area, however, catch is not guaranteed. Even though the fish are in a contained area, there may be times when fishing can be slow due to a variety of reasons, such as weather conditions and water temperature. We hope that all participants catch a fish and we will do our best to help your child make it happen.
6. Parents are encouraged to help their children but the child is the one that should be fishing.
7. Once the limit of 2 fish is caught, each participant must leave the fishing area and proceed to the measuring and cleaning stations. **Catch and release will not be allowed.**
8. **PARKING IS LIMITED!** and there is no fee for parking. Carpool with a friend if possible.
9. **Registration forms must be received no later than 5:00 P.M., April 6, 2012.** Registration by phone will not be accepted. Confirmation of your fishing time will be mailed to the address provided on the registration form.
10. Fishing sessions are assigned on a first come, first serve basis. **Once a fishing time has been assigned, the assigned fishing time cannot be changed.**
